Build the digital future with us!

We are a Team of over 700 professionals who build the Digital Future for the world's largest insurance, banking and leasing organisations. Our history of business advisory and software implementation goes back to the year 2000. Sollers Consulting's roots are in Europe, but the company's footprint is visible around the world. Our teams are now located in offices in Poland, Germany, France, Spain, and Japan. Being agile across our company and our projects enables us to play an active role in industries with high digitalization needs.

Offices: Warsaw • Lublin • Poznań • Gdańsk • Wrocław • Szczecin • Białystok • Kraków • Łódź • Cologne • Paris • Barcelona • Tokyo
