Wilhelmsen is a global maritime industry group founded in 1861. We have the biggest maritime network in the world, with a presence in over 2 200 locations globally. We serve over half of the worldwide merchant fleet with products and services, and supply crew and technical management for some of the most complex vessels in the world. We also develop new and daring solutions, shaping the maritime industry for the future. Our investments seek to explore and develop new opportunities within the energy, offshore and maritime industry. With thousands of colleagues in more than 70 countries, we take competence, sustainability, innovation and unparalleled customer experiences one step further.

Our office in Szczecin is located in the city center with an easy access from any side of the city.
